SADLY WE SAY THANKS AND GOODBYE

Madhur Goldstein affectionately known as Maddy is leaving us and going back to Sydney. The students will miss her smiling face greeting them each morning at breakfast. It was nice to see their appreciation with the gift and card that Dominique organised for all the students to sign.

Thanks also to Ms Robilliard for stepping into the Supervisor's role with enthusiasm and generosity of spirit. Although only with us for short time she made a valuable contribution to the daily running of the college community.

Two Scholarship Winners!

Congratulations to Dominique Maberley and Bonnie Tysoe on receiving the 2010 May Marshall Scholarship.

This scholarship is available to a student from a rural background who is enrolled at Perth Modern School and displays a social conscience. The two girls provided such outstanding applications and impressed the Selection Panel so much that it was decided to award two \$1,000 scholarships. Both Dominique and Bonnie were very deserving recipients demonstrated through their community service activities and excellent academic achievement.

TERM ACTIVITIES

This term the students have been busy with a Theme Dinner, Roller Skating, School Dinners Dances and River Cruises, watching the Eagles play and going to school performances, having fun on the oval and competing in the Minute To Win It games held at the college on Saturday nights. Unfortunately due to lack of number we had to cancel the Ten Pin Bowling, the trip to the Midland Markets and a proposed BBQ at Serpentine Falls.
