

Student Handbook

AIMA / NAS Training Course

Western Australia

Part 1

Introduction to

Maritime Archaeology

*Australasian Institute for Maritime Archaeology
and Nautical Archaeology Society (UK)*

Distribution of this manual free of charge to teachers of the Maritime Technologies Course of Study in Western Australia has been made possible by the generosity of the Nautical Archaeology Society (UK) and the Australian Institute for Maritime Technologies. The Western Australian Museum expresses appreciation for this generous contribution.

AIMA / NAS Training Course (Western Australia)
